

Larnique Mickens

Director
Heritage Mortuary

Larnique Mickens takes great pride in her role as a mother to her children, Asia and Skylor. She comes from a long line of military volunteers, being a third-generation member herself and having served in the USAF for 24 years before retiring. Larnique is also a trailblazer as a first-generation funeral director, notary, Black Belt Six Sigma Business Consultant, and First Lady. Her dedication to her community is evident through her lifetime membership in the Air Force Sergeants Association (AFSA), with Chapter 1252 Nellis AFB being her cherished home Chapter.

Originally hailing from West Palm Beach, Florida, Larnique draws inspiration from her mother and grandmother, who served as influential role models in her life. They imparted upon her invaluable guidance, wisdom, insight, and a strong set of values. It was through their teachings that Larnique developed a deep-rooted passion for serving others. Despite humble beginnings, she achieved success through sheer hard work, unwavering commitment, and unyielding drive. Larnique is also a compassionate and dedicated servant leader, and she has been happily married for 22 years.

At Heritage, Larnique can be found leading her team with the utmost dedication, arranging meaningful ceremonies for families, and educating them on the importance of celebrating their loved ones and fostering connections with families and friends.
